## Herndon Kicks Off Second Annual Folk Festival

The second annual Herndon Folk Festival will be held from noon to 5pm on Sunday October 9, 1994 around the Town Hall in Historic Herndon. The event features folk music on two stages, children's entertainment, games and contests, traditional dance, musical instrument workshops, and demonstrations. Admission is free.

Last year's event maintained the comfortable, small town atmosphere reminiscent of an old fashion country fair, even with several thousand in attendance. This year's festival promises to be every bit as popular. Performers on the main stage include folk legend Garnett Rogers and a cappella Gospel music by the Smithsonian Folk Life

festival veteran group Reverb. Kicking off the main stage entertainment will be Mid-Atlantic Songwriter award winner Susan Graham White, featuring songs from her newest release. Mary Cliff, of WETA's Saturday folk music show *Traditions*, will host the main stage.

The festival is presented by Herndon Parks and Recreation, in association with the Folk Club of Reston-Herndon and the Council For the Arts of Herndon. If you are interested in volunteering to help at this festival on behalf of the Folk Club, contact Ellen Kaminsky at 689-0444 to see how you can help. See you there!

Guitarist and singer **Ray Kaminsky** is our Showcase Performer for September. Ray is a long time Folk Club member who books our special performers each month, writes the crossword puzzle, and usually runs the sound board on Tuesday nights.

The term crossword was probably first used in England, where archers were said to have exchanged "cross words" over who was most worthy to protect the King and therefore avoid unpleasant duty in the royal stables. The invention of the cross-bow some years later, enabled the cross-legged Count of Crumpet to catch the Duke of Yorkshire in the cross hairs of political intrigue.
